

Programme

(see complete programme on www.wastemanagement.de)

Sunday, 6 October 2002 (STRASBOURG)

- 19:00 [Organ concert in the Church "St. Pierre le Jeune"](#)
Organist: Marc Schäfer
- 20:00 [Welcome Party in a Wine Tavern Near the
Cathedrale of Strasbourg](#)

Monday, 7 October 2002 (STRASBOURG)

- 09:00 - 09:10 *Prof. Dr.-Ing. B. Neukirchen, Chairman of the
GVC/DECHEMA-Working Party Waste Treatment*
Welcome and Opening, Introduction
- 09:10 - 09:20 *Mrs. F. Keller, Lady Mayor of Strasbourg*
Welcome Address
- Address of the Patrons**
- 09:20 - 09:40 *P. Radanne, Président ADEME, F-Paris*
**Waste policy - a driving force for environmental
climate and natural resources policy**
- 09:40 - 10:00 *Prof. Dr. A. Troge, Umweltbundesamt, D-Berlin*
Strategy for sustainability in waste management

Plenary Lectures

Chairmen: Prof. Dr.-Ing. B. Neukirchen, STEAG AG,
D-Essen/

Dipl.-Ing. J.-F. Vicard, Directeur
STRATENE Eurl, F-Lyon Cedex

- 10:00 - 10:35 PL1 *D. Litten, EIPPC Bureau, E-Sevilla*
**Waste prevention and control within the
framework of the IPPC Directive**
- 10:35 - 11:00 **Coffee Break**
- 11:00 - 11:35 PL2 *D. Gasquet, Directeur Général ONYX/Vivendi
Environnement, Président FNADE, F-Paris Nanterre*
**The future of waste management - contribution
from an environmental services company**

11:35 - 12:10	PL3	<i>D. Pin, Directeur Général Délégué SITA, Président FEAD, F-Paris Nanterre</i> Technical innovation in waste management - benefits and risks
12:10 - 12:35		Poster Presentation P 1 Chairman: Prof. Dr.-Ing. M. Born, TU-Bergakademie Freiberg, D-Freiberg P 1: Waste management (11 Posters) Authors present an oral introduction (max. 2 min) of their posters to the auditorium.
12:35 - 14:00		Lunch Break
14:00 - 14:45		Poster Presentation P 2 + P 3 P 2: Mechanical and biological waste treatment (8 Posters) P 3: Thermal waste treatment (17 Posters)
		Session 1: Waste management and responsibility for society Chairmen: Prof. Dr. A. Buekens, Vrij Universiteit, B-Bruxelles/ Dr. J. Vehlow, Forschungszentrum Karlsruhe GmbH, D-Karlsruhe
14:45 - 15:05 - 15:20	1.1	<i>Prof. W. Schenkel, Umweltbundesamt, D-Berlin</i> Incineration and responsibility
15:20 - 15:50		Coffee Break
15:50 - 16:10 - 16:25	1.2	<i>Prof. D. Zmirou-Navier, Université, F- Nancy</i> Waste and health
16:25 - 16:45 - 17:00	1.3	<i>Prof. Dr. M. Narodoslawski, Technische Universität Graz, A-Graz</i> The vision of closed cycle economy and its reality
17:00 - 17:40		Poster Presentation P 4 + P 5 P 4: Emmissions (9 Posters) P 5: Diversities (13 Posters)
17:40 - 18:30		Discussion at the Posters

18:30 - 19:30

Discussion Forum for Young Researchers

Chairman: Prof. Dr.-Ing. M. Beckmann, Universität Weimar, D-Weimar

19:45

Conference dinner in the "Palais des Congrès"

Tuesday, 8 October 2002 (STRASBOURG)

Session 2: State of the art of waste treatment

Chairmen: Prof. Dr. Dr. E.h. Hackl, A-Weitra/
Daniel Beguin, ADEME, F-Paris

- | | | |
|-----------------------|-----|---|
| 08:30 - 08:50 - 09:05 | 2.1 | <i>Dr.-Ing. K. F. Ziegahn, Fraunhofer-Institut Chemische Technologie, D-Pfinztal/Berghausen</i>
Harmonization of environmental standards for waste treatment |
| 09:05 - 09:25 - 09:40 | 2.2 | <i><u>Dr.-Ing. T. Kolb</u>, BASF AG, D-Ludwigshafen, Prof. Dr.-Ing. H. Seifert, Forschungs-zentrum Karlsruhe GmbH, D-Karlsruhe</i>
Thermal waste treatment |
| 09:40 - 10:00 - 10:15 | 2.3 | <i>G. Huwiler, Holcim AG, CH-Siggenthal</i>
Co-incineration in cement industry |
| 10:15 - 10:35 - 10:50 | 2.4 | <i><u>Dr. K. Soyez</u>, Dipl.-Ing. S. Plickert, Universität Potsdam, D-Potsdam</i>
Mechanical-biological waste treatment |
| 10:50 - 11:10 | | Coffee Break and Discussion at the Posters |
| 11:10 - 11:30 - 11:45 | 2.5 | <i>MSc. K. Knox, Environmental Consultants, GB-Nottingham</i>
Landfill |
| 11:45 - 12:05 - 12:20 | 2.6 | <i>Dr. H. Rechberger, ETH Swiss Federal Institute of Technology, CH-Zürich</i>
Assessment of waste management systems |
| 12:20 - 12:40 - 12:55 | 2.7 | <i>Prof. Dr.-Ing. M. Born, TU-Bergakademie Freiberg, D-Freiberg, Prof. Dr.-Ing. M. Beckmann, Universität Weimar, D-Weimar, <u>Prof. Dr. P. H. Brunner</u>, Technische Universität Wien, A-Wien, J.-M. Merillot, ADEME, F-Paris, Dr. J. Vehlouw, Forschungszentrum Karlsruhe GmbH, D-Karlsruhe</i>
Research needs for waste management |

13:00 - 14:15

Lunch Break

**Session 3: The future of waste management in Europe
(Contributions related to a country and a topic)**

Chairmen: P. de Taisne, Directeur Etude et Recherche TREDI, F-Paris/

Prof. Dr.-Ing. R. Scholz, TU Clausthal, D-Clausthal-Zellerfeld

14:15 - 14:35 - 14:50 3.1 *Dr. H. P. Fahrni, Bundesamt für Umwelt, Wald und Landschaft, CH-Bern*

Switzerland - the incineration command, the situation two years after it came into force

14:50 - 15:10 - 15:25 3.2 *Dipl.-Ing. C. Holzer, Bundesministerium für Land- und Forstwirtschaft, Umwelt und Wasserwirtschaft, A-Wien*
Austria - experiences with landfill-taxes

15:25 - 15:45 - 16:00 3.3 *N. N., Vereniging van Afvalverwerkers, NL-Utrecht*
The Netherlands - wet treatment of bottom ash

16:00 - 16:20

Coffee Break and Discussion at the Posters

16:20 - 16:40 - 16:55 3.4 *N. N., European Commision, B-Bruxelles*
Eastern Europe - waste management in Eastern Europe from the EU-Commission's point of view

Plenary Lecture

16:55 - 17:15 PL4 *Prof. Dr.-Ing. B. Neukirchen, STEAG AG, D-Essen, Dr. M. Knoche, Stratène, F-Lyon, Prof. Dr.-Ing. R. Scholz, TU Clausthal, D-Clausthal-Zellerfeld, Dr. J. Wiesner, DECHEMA, D-Frankfurt*
GVC/DECHEMA-Technical Committee "Waste Treatment" – future challenges

17:20

End of Conference

Wednesday, 9 October 2002

Technical Excursions

A Visit of the company ECO-Emballages, the waste sorting plants of SARDI and ALTEM and the hazardous waste incineration plant of TREDI in the vicinity of Strasbourg

- B Visit of the underground landfill site of STOCAMINE in a closed salt mine near Mulhouse
- C Visit of different incineration plants in the "Forschungszentrum Karlsruhe" and at BASF, Ludwigshafen

Annotations: The indicated times include 15 minutes discussion for the lectures

- 1.1 to 3.4.

Congress languages for the lectures are French, German and

- English. Simultaneous translation is provided.
