# FP7 – FINANCIAL & PROJECT MANAGEMENT

2-day intensive management training

PRACTICAL PERSONAL PROFESSIONAL

*“Getting funded is only the beginning...”*

# For Managers by Managers

## Do you know how to...

- » Prepare the financial reports according to the new rules and regulations?
- » Draft the CA in order to protect all partner's interests?
- » Avoid financial mismanagement?
- » Get partners to deliver on time and within budget?
- » Be a decision-maker rather than a laborer in the consortium?
- » Survive an EC project audit?

## Facts of FP7...

- » There are fewer reporting periods but stricter guidelines
- » Success of your EC project depends entirely on the quality of your staff
- » The main sources of errors in costs claimed by beneficiaries relate to personnel and indirect costs

for project managers, financial personnel and for all potential beneficiaries...

## Our solution...

The FP7 Financial and Project Management training is designed to provide project managers, administrators and financial personnel with the skills needed to successfully implement EC projects. The participants will be guided through all the procedures of project implementation, from Grant Agreement negotiations to financial reporting to project reporting, including audits and other "touchy" issues. Experienced FP7 project managers will facilitate and moderate practical workshops, providing all aspects of the FP7 project management spectrum.

**Free e-learning** Participants are given 2-weeks unlimited access to e-learning to provide them with all background and theoretical knowledge of FP7 project management. The e-learning is highly recommended as the information complements the Management training workshop.
