

**LOGISTICAL INFORMATION**

**Workshop Location:**

**Centro Sviluppo Materiali S.p.A. (CSM)**  
Via di Castel Romano, 100  
00128 Rome  
Tel. +39-06-50551  
(Ref. person: Mrs. *Giorgia Camilla Gelati*: Off.+39-06-5055205)

**HOW TO REACH CSM**

**By Taxi: \*Suggested Taxi, to be booked the day before:**  
SAPO, +39-335-6042534  
Pick-Up from **International Arrival Meeting Point** (Terminal 3, column in wood, next to the bar)  
\*Centro Sviluppo Materiali \* displayed card will be shown by the driver.  
(expected rate Fiumicino Airport/CSM: 50 Euro)

**CSM TRANSPORTATION TO WORKSHOP LOCATION**

A Shuttle Bus transfer (TROTTA Service) from the nearest underground station – **EUR Palasport** (M3 Station of Line B) – to CSM and back, is arranged in the morning and in the afternoon.

**Meeting point:** upstairs Underground Station EUR Palasport, in Viale America, in front of **Belvedere BAR** or next to it, according to the side of your exit (*departure from Eur Palasport – Meeting point – see the map aside*).

**Shuttle Bus Time Table – Departure to/from CSM:**  
Travel Time: 20 min., depending on the traffic conditions

- From EUR Palasport to CSM:  
7:40 a.m.; 8:55 a.m.
- From CSM Workshop Location to EUR:  
3:55 p.m.; 4:55 p.m.; 6:10 p.m.

**By car from "Leonardo da Vinci" Fiumicino Airport: (See the Maps below)**

- Highway "Roma-Fiumicino" to Rome till "Grande Raccordo Anulare" (GRA);
- GRA, south direction (Napoli), till "Pontina" exit (**exit n°26**, Pomezia/Latina direction);
- Pontina road till "Castel Romano/Zona industriale" exit (about 10 km from the GRA and after "Pratica di Mare" exit);
- Follow the main road and signs, drive living the "URMET" company on your right and turn around the traffic circle on your left, till you cross the road and reach CSM headquarters, in front of you.

**By car from "down town":**

- reach the EUR area then take the Pontina road (see indications above).

**From Airport to main Train Stations "Ostense" and "Termini":**

- From Fiumicino Airport trains leave every 30 min.  
Ticket is required to enter the trains.

**Centro Sviluppo Materiali SpA**  
in collaboration with  
**Technological Observatory**  
**"Energy Materials & Power Generation"**

**Workshop**

**"Materials and Technologies for Energy Efficiency"**

- Utilities and Power Generation Industry Experience -

**Castel Romano, 31.03.2010**

**Supported by:**

**The number of attendances is strictly limited.**  
**For registration: [www.c-s-m.it](http://www.c-s-m.it) (news and events section).**

## DRAFT PROGRAMME:

### 08:30 – 09:10 Hosts registration

**09:10 – 09:30** Welcome to attendees - **M. Pontremoli (CSM CEO)**

**09:30 – 13:00** Energy Efficiency initiatives and expertise in EU

- The role of advanced materials in the development of the EU Energy Industry - **P. Folgarait (CSM)**
- COMTES700: a multinational EU R&D project for 700°C technology development – **C. Stolzenberger (VGB)**
- Innovation and expertise in construction technologies and materials selection for boilers in USC power generation plants – **Klaus-Dieter Tigges (HPE)**
- ENEL initiatives in the field of Energy Efficiency – **S. Pasini (ENEL IIN)**
- The experience of DONG Energy in the efficiency improvement of Power Generation plants – **J. Hald (Dong Energy)**

### 11:00 – 11:20 Coffee break

- UK experience in the application of ASTM Grade 91 and 92 in modern power generation plants – **J. S. Hanton (RWE Npower & E.ON Engineering, UK)**
- The E.ON 50+ project: state-of-the-art and future developments – **M. Bader (E.ON Energie)**
- Recent developments in materials solutions and technologies for high efficiency land gas turbines – **F. Noera (Ansaldo Energia)**
- RWE experience in the application of component engineering advanced criteria for Energy Efficiency improvement and standardization – **R. Mohrmann (RWE)**

### 13:00 – 14:00 Lunch

**14:00 -15:30** EU and Italian initiatives

- European Commission (FP7) – to be confirmed
- ZEP Platform: CO<sub>2</sub> Capture and Energy Efficiency (**Dr. Barbucci, ZEP Member**)
- ESTEP activities in Energy sector (**Dr. P. Gimondo – WG6 Chairman**)
- European Cooperation Programs (**Prof. Ing. Zollino, FP7 National Delegate**)
- Italian Ministry for Economic Development (**Dr. Capra**) – SET Plan

**15:30-16:00** Question session and workshop closure
